Description :

PDF-238a4 | The scientist Roithamer has dedicated the last six years of his life to “the Cone,” an edifice of mathematically exact construction that he has erected in the center of his family’s estate in honor of his beloved sister. Not long after its completion, he takes his own life. As an unnamed friend pieces together—literally, from thousands of slips of papers and one troubling manuscript—the ... *Correction: A Novel (Vintage International)*
