Description :

PDF-2cf04 | This is a highly original book about the connections between historical moment, social structure, technology, communication systems, and what is said and thought using these systems - notably literature. The author focuses on the differences between 'discourse networks' in 1800 and in 1900, in the process developing a new analysis of the shift from romanticism to modernism. The work might be class... *Discourse Networks, 1800/1900*
