Description :

PDF-90475 | The Tale of Genji and The Tale of the Heike are the two major works of classical Japanese prose. The complete versions of both works are too long to be taught in one term, and this abridgement answers the need for a one-volume edition of both works suitable for use in survey courses in classical Japanese literature or world literature in translation and by the general reader daunted by the complet... *Genji & Heike: Selections from The Tale of Genji and The Tale of the Heike*
