Description :

PDF-df9ac | Award-winning translator and author Ken Liu presents a collection of short speculative fiction from China. Some stories have won awards (including Hao Jingfang's Hugo-winning novella, *Folding Beijing*); some have been included in various 'Year's Best' anthologies; some have been well reviewed by critics and readers; and some are simply Ken's personal favorites. Many of the authors collected here ... *Invisible Planets: Contemporary Chinese Science Fiction in Translation*
