Description :

PDF-4e8d1 | The Liberal Imagination is one of the most admired and influential works of criticism of the last century, a work that is not only a masterpiece of literary criticism but an important statement about politics and society. Published in 1950, one of the chillier moments of the Cold War, Trilling's essays examine the promise—and limits—of liberalism, challenging the complacency of a naïve li... *The Liberal Imagination (New York Review Books Classics)*
