Description :

PDF-67af5 | Locating American Studies is a collection of seventeen essays first printed in American Quarterly, the journal of the American Studies Association. To mark the Association's celebration of its 50th anniversary in 1998, Lucy Maddox has brought together works by a distinguished group of scholars which "provide a useful window into the history and the evolution of the practice of American studies fro... *Locating American Studies: The Evolution of a Discipline*
