Description :

PDF-19af9 | The machine had been invented a few years ago: a machine that could tell, from just a sample of your blood, how you were going to die. No dates, no details. Just a slip of paper with a few words spelling out your ultimate fate -- at once all-too specific and maddeningly vague. A top ten Amazon Customer Favorite in Science Fiction & Fantasy for 2010, *The Machine of Death* is an anthology of original... *Machine of Death: A Collection of Stories About People Who Know How They Will Die*
