Description :

PDF-ee535 | Compiled in the fifteenth century, Mind Training: The Great Collection is the earliest anthology of a special genre of Tibetan literature known as "mind training," or lojong in Tibetan. The principal focus of these texts is the systematic cultivation of such altruistic thoughts and emotions as compassion, love, forbearance, and perseverance. The mind-training teachings are highly revered by the Ti... *Mind Training: The Great Collection (Library of Tibetan Classics)*
