Description :

PDF-8c111 | Written around AD 1200 by an unnamed Icelandic author, the Orkneyinga Saga is an intriguing fusion of myth, legend and history. The only medieval chronicle to have Orkney as the central place of action, it tells of an era when the islands were still part of the Viking world, beginning with their conquest by the kings of Norway in the ninth century. The saga describes the subsequent history of the ... *Orkneyinga Saga: The History of the Earls of Orkney (Penguin Classics)*
