Description :

PDF-f180d | One of Time magazine's 50 Future Leaders of America brings together novelists, essayists, men, and women to talk about the future of masculinity. What does it mean to be male in the twenty-first century? What does the concept of masculinity even mean in the wake of four decades of modern feminism? What makes a man a man today and a woman a woman? Are those distinctions even real anymore? In this ... *What Makes a Man: 22 Writers Imagine the Future*
