Description :

PDF-54800 | This book shows writers of all ages how to find and develop nonfiction topics that matter to them--in ways that make readers care too. It emphasizes writing for discovery, not just writing what one knows. It emphasizes a strong authorial presence (voice) and a convincing point of view. Most important, it not only tells but also shows how writing true involves the poet's attention to language, the ... *Writing True: The Art and Craft of Creative Nonfiction*
